Negeri Sembilan Community Research Project- Meeting on 24th March 2010

A meeting will be held on 24th March 2010 to have a discussion on the areas that INTI will be covering for the Negeri Sembilan community research project.

The details of the meeting are as follows:

Date: 24 March 2010 (Wednesday)

Time: 4:00 – 5:15 pm

Venue: (TBC)

The areas covered will be subject to the expertise of the researchers. The broad area is social science and humanities. At the meeting, it is hoped that the participants will be able to suggest some socio-economic research areas that they are interested in and perceive that it would be beneficial to the Negeri Sembilan community. It is also hoped that many small research projects can be combined into a large scale Negeri Sembilan Community Research Project. Another option is a large scale survey conducted covering different areas in the questionnaire.

INTI staff is welcome to join the first meeting just to learn more about the project and to see if this project is something they may be interested in assisting.
